

21-27 September 2024

44th IPPA Course

Rungsted Kyst, Denmark

Welcome

Dear Colleagues and Friends,

We are thrilled to welcome you to the **44th IPPA course in Denmark**.

As all IPPA advanced courses, we are expecting a week of insightful learning, professional growth, and networking opportunities in a serene and inspiring setting, this year at Rungstedgaard, a stunning conference and hotel venue set in a lush parkland overlooking the Øresund Strait.

To complement our educational sessions, we have organized a couple of local tours that showcase the rich cultural heritage and natural beauty of Denmark.

Please explore the program in detail and make yourself acquainted with the local tours in this booklet.

We are looking forward to sharing a memorable week with you!

- **Peter Bode**, Course Director
- **Tina Olsen, Karen Bonde Larsen and Christian Brøchner**, Local Organizing Team

Tutors

Ferechté Encha-Razavi, MD

Fetal and Placental Pathology
Necker University Hospital Paris
France
ferechterazavi@gmail.com

Yen Ho, MD

Royal Brompton Hospital
Imperial College London
United Kingdom
yen.ho@imperial.ac.uk

Yee Khong, MD

Department of Anatomic
Pathology University of Adelaide
Australia
yee.khong@adelaide.edu.au

Serap Toru, MD

Department of Pathology Akdeniz
University Antalya
Turkey
serap_toru@yahoo.com

The International Paediatric Pathology Association 44th Advanced Course in Paediatric Pathology is grateful to the following associations that support this course and provide scholarships:

- International Paediatric Pathology Association (IPPA)
- Society of Paediatric Pathology (SPP)
- Paediatric Pathology Society (PPS)

Course Director

Peter Karl Bode, MD
Institute of Pathology, Cantonal Hospital Winterthur
Switzerland
peter.bode@ksw.ch

Technical Director:

Jennifer O. Black, MD
Department of Pathology and laboratory Medicine, Children's Hospital of Colorado
USA
jennifer.black2@childrenscolorado.org

Local organizers:

Christian Brøchner, Karen Bonde Larsen & Tina E. Olsen
Department of Pathology, Rigshospitalet, Copenhagen University Hospital
Denmark

Local Tutors

Lisa Leth Maroun, MD

Department of Pathology
Rigshospitalet, Copenhagen University Hospital
Denmark
Lisa.Leth.Maroun@regionh.dk

Linea Cecilie Melchior, MSc, PhD

	AFTERNOON TOUR I Louisiana Art Museum - See next page	
18.30	DINNER	
<i>Chair: Jennifer Black</i>		
20.00-21.00	LECTURE 5 Gestational Trophoblastic Disease - Part II	Lisa Leth Maroun
21.00-22.00	PARTICIPANTS' SLIDE SEMINAR I	

Louisiana Museum

AFTERNOON TOUR I:

Welcome to the Louisiana Museum of Modern Art!

With its 600,000-700,000 annual visitors, Louisiana is the most visited museum for modern and contemporary art in Scandinavia. The museum is internationally recognized for its exceptional exhibitions, and ever-growing collection as well as for its dynamic and vibrant cultural program.

Louisiana is often hailed as one of the most beautiful museums in the world due to the scenic location and the harmonious architecture considered a major work of Danish modernist architecture. Since its opening in 1958, the museum has conveyed international art and culture of high quality to its guests in Humlebæk (where the IPPA Advanced course was held in 1989). The aim has been – and is – to reach a large and diverse audience with an equally broad and varied selection of art and culture from the 20th and 21st centuries.

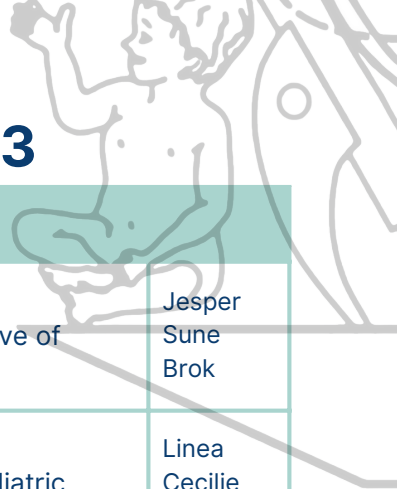

Take your time to explore the stunning architecture, serene sculpture park, and thought-provoking exhibitions. We hope your visit provides a refreshing and enriching experience, blending the beauty of art with the tranquillity of this unique setting. Enjoy your time at Louisiana!

Timings:

15.00: Departure Rungstedgaard Hotel

17.30: Departure Louisiana

Monday, September 23

<i>Chair: Tina Olsen</i>		
08.30-09.30	LECTURE 6 Pediatric Tumors – The Perspective of the oncologist	Jesper Sune Brok

12.00-13.00	LECTURE 9 Neurodevelopmental Pathology - Part II	Ferechté Encha-Razavi
13.00	LUNCH	
	AFTERNOON TOUR II Kronborg Castle - See next page	
18.30	DINNER	
<i>Chair: Yee Khong</i>		
20.00-21.00	LECTURE 10 The Normal Heart-Development and Anatomy	Yen Ho
21.00-22.00	PARTICIPANTS' SLIDE SEMINAR II	

Visit Elsinore

AFTERNOON TOUR II:

Visit to Kronborg Castle

Kronborg Castle, located in Elsinore (Helsingør), Denmark, is one of the most renowned castles in Northern Europe. Known worldwide as the setting of Shakespeare's Hamlet, this UNESCO World Heritage Site is a stunning example of Renaissance architecture.

Overlooking the narrowest part of the Øresund Strait, Kronborg has a rich history dating back to the 15th century. It served both as a royal residence and a formidable fortress. Visitors to Kronborg can explore its grand halls, intricate tapestries, and the eerie underground casemates, all while enjoying breathtaking views of the surrounding sea and landscape.

Kronborg's history goes back 600 years, and the castle has seen many things in its time; magnificent feasts, horrific wars, looting and an all-consuming fire. On this guided tour you will experience all the highlights of Kronborg and get up close to the lives of Frederik II and Queen Sophie in the distinguished chambers and magnificent halls.

Timings:

15.00: Departure Rungstedgaard Hotel

17.30: Departure Elsinore

Tuesday, September 24

Chair: Ferechté Encha-Razavi

08.30-09.30	LECTURE 11 Renal Pathology: from Glomerular Disorders to Tubulointerstitial diseases	Serap Toru

10.30-11.00	COFFEE BREAK	
11.00-12.00	LECTURE 13 Segmental analysis of the congenitally malformed heart	Yen Ho
12.00-13.00	LECTURE 14 Maternal cardiac function and placental function	Yee Khong
13.00	LUNCH	
	FREE AFTERNOON	
18.30	DINNER	
<i>Chair: Yen Ho</i>		
20.00-21.00	LECTURE 15 Examination of unfixed fetal hearts	Lisa Leth Maroun
21.00-22.00	PARTICIPANTS' SLIDE SEMINAR III	

AFTERNOON TOUR III:

Canal tour in Copenhagen

The canal tour offers a delightful way to experience the charm and beauty of Copenhagen from a unique perspective. The captain will sail you through the historic waterways, you'll see iconic landmarks, picturesque bridges, and vibrant waterfront areas. A guide will tell you all about the city's history, architecture, culture and provide fascinating insights while you relax and enjoy the scenery.

You will pass by **The Little Mermaid**, inspired by Hans Christian Andersen's fairy tale, and the vibrant **Nyhavn** district with its colorful 17th-century townhouses. The tour includes the modern **Royal Danish Opera House** on the waterfront and **Amalienborg Palace**, home to the Danish royal family.

You'll also see the striking **Black Diamond** library extension and the historic **Christiansborg Palace**, seat of the **Danish Parliament**. Other highlights include the **Church of Our Saviour**, with its spiral tower offering panoramic views, and the charming, canal-lined district of **Christianshavn**. These sights provide a blend of history, culture, and architecture, making for an unforgettable canal tour experience.

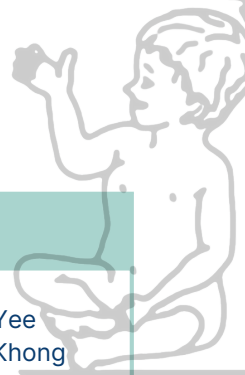

Whether you're a first-time visitor or a local, a canal tour is a refreshing and scenic way to explore the city's highlights.

Timings:

14.10: Departure Rungstedgaard Hotel

17.30: Departure Copenhagen, Ved Stranden

Wednesday, September 25

<i>Chair: Serap Toru</i>
